

Letter of Recommendation

Phnom Penh, 4th February 2025

To Whom It May Concern,

I am delighted to provide this letter of recommendation for Ms. Thyda Siv, who has been an Architect at The Room. During her tenure, Thyda has consistently demonstrated a blend of creativity, and technical proficiency, making her a highly valued member of our team. In her role as an Architect, Thyda has been responsible for the design and management of a wide range of architectural projects from concept development to construction completion.

Thyda's proficiency in preparing and presenting design proposals is exemplary. She excels in creating sketches, drawings and 3D diagrams that effectively communicate her design ideas. Her technical expertise is evident in the detailed architectural drawings, plans, sections, and elevations she produces. This attention to detail ensures that her designs are documented and easily interpretable by all stakeholders.

She works with the design team to integrate architectural concepts with other disciplines, ensuring a comprehensive approach to each project. Her ability to conduct thorough site analysis and assessments allows her to understand existing conditions and project constraints, resulting in well-informed design decisions.

Thyda is adept at selecting appropriate materials, finishes, and construction systems that meet project specifications while maintaining aesthetic and functional integrity. Her coordination with structural engineers and other consultants guarantees the soundness of her designs, and her preparation and management of project documentation ensure that all aspects of the project are well-organized and clearly communicated.

In addition, her commitment to staying updated with industry trends, emerging technologies, and best practices in architecture is evident in her ongoing contributions to our firm. She also represents The Room with distinction at professional forums, industry events, and client presentations.

In summary, Thyda is an outstanding architect whose contributions have significantly enhanced the success of our projects. I would recommend her highly and without reservation for this internship position at your company and would appreciate your most favorable consideration of her application. If I can be of any further assistance or provide you with any further information, please contact me at your earliest convenience.

Yours Sincerely,

Pawel Siudecki
CEO, Principal Architect
